## **INTERNAL CONTROL POLICY STATEMENT**

### **1. SCOPE OF RESPONSIBILITY**

The Accounts and Audit Regulations 2003 states that a Council shall be responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk

Exning Parish Council (the Council) is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively. In discharging this overall responsibility, the Council is also responsible for ensuring that there is a sound system of internal control which facilitates the effective exercise of the Council's functions and which includes arrangements for the management of risk.

### **2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL**

Internal control is designed to reduce financial risk to the Council

The system of internal control is designed to ensure that the Council's activities are carried out properly and as intended and to manage risk; reducing it to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims & objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. Internal controls are set up by the RFO but it falls on the Council members to ensure that they have a degree of control and understanding of those controls. Controls will include the checking of routine financial procedures, the examination of financial comparisons, the recording of assets, the identification of risk, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage risks efficiently, effectively and economically.

Cross referencing of the BACS payments is made against the bank statements by a member of the Admin Working Group.
- ✓ At the year-end, the Chairman ensures that the Final Bank Reconciliation totals are reconciled to the year-end bank statement and signs the Final Bank Reconciliation and the year-end bank statement as evidence of this check.
